

# West Texas Wrap-up

Dear Friend,

Below, you will find a recap of my work here in Washington. To ensure you're receiving the latest updates from Washington and across West Texas, I encourage you to follow me on [Twitter](#) and [Facebook](#).

## Honoring House Agriculture Chairman Conaway

This week we honored a man who will leave an impact on our country as big as West Texas. It was a privilege to serve under Chairman Conaway on the House Ag Committee where we passed a strong and responsible farm bill. Thank you, Mike and Suzanne, for all you have sacrificed for the Food, Fuel, and Fiber Capital of the World.

## Speaker Pelosi's Priorities

It's unacceptable, while lawlessness and violence ravage our once-great American cities, that House Speaker Nancy Pelosi would waste time bringing forward a vote to condemn identifying a virus with its geographic origin.

I introduced the David Dorn and Pat Underwood Acts to increase penalties for rioting and assaulting a federal officer. I invite my House Democrats colleagues to join me in standing with law enforcement and law abiding citizens to say we won't allow this violence anymore. ### **Plainview Bulldog Pride**

Ran into my old basketball coach while speaking to students at my alma mater - Plainview High School. He is now a Hall of Fame coach and for good reason. He taught us how to win on and off the court. Thank you, Coach Irlbeck, and God bless our coaches and teachers!!

### Completing the U.S. Census

God-fearing, freedom-loving West Texans can't afford to be under-represented in the U. S. Congress. Our values and our tax dollars are on the line. Fill out your census survey today: <https://2020census.gov/en.html>.

It is an honor to be your Representative. Feel free to forward this newsletter to our fellow West Texans and encourage them to [sign up here](#) for this weekly update.
